WORK EXPERIENCE

MYPORTAL MARKETING INC.

Web Development Manager - (2023-2025)

I lead the web development team, overseeing strategy, planning, and operations. I manage project timelines, resources, and cross-team collaboration to meet business goals, focusing on leadership, process improvement, and delivering high-quality, scalable web solutions.

VIRTUASCRIPT

Frontend Developer/UI/UX Designer - 2023

I built responsive and user-friendly interfaces using Vanilla JavaScript, the MERN stack, and other frameworks. I deliver high-quality, scalable software that meets client needs.

-Remote Work

CLOUDNINJA

Software Engineer - 2022

I work at a startup development company specializing in custom desktop applications. We provide end to end solutions including UI/UX design, budget planning, scrum workflow, and client collaboration to deliver reliable, user-friendly, and scalable software that meets real business needs.
